### 5 examples of reducing your garbage

Reduce garbage by buying in bulk.
One can of frozen orange juice instead
of gallon plastic containers.

Reduce garbage by using cloth bags over and over instead of many plastic bags.

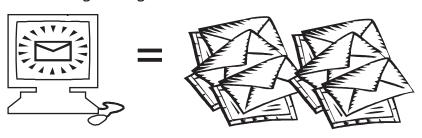

Reduce garbage by buying a lunchbox. One lunchbox is equal to many paper lunch sacks.

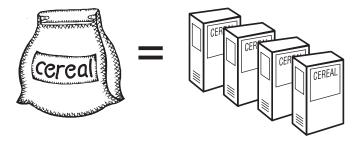

Reduce paper cards and envelopes by sending greeting cards on E-mail.

Reduce paper cereal carton boxes by buying in bulk plastic cereal bags.

# DO'S AND DON'TS

### RECYCLE RIGHT! RECYCLE SMART!

### Recycle Right!

- Discard all liners from cereal, cake and cookie boxes in the garbage.
- Break down large cardboard boxes.
- Don't crush soda or soup cans.
- Remove metal lids from glass jars.
- Recycle all small metal appliances like irons, skillets and VCR's. No TV's
- Make sure all recyclables are clean, dry and empty.

### Reuse Right!

- Plastic bags: Reuse plastic bags at the grocery store or to "Bag and Tie" your garbage and grass. Some dry cleaners and grocery stores accept bags for recycling. Please do not put them in your blue recycling barrel.
- Glass dishware: Donate or resell old glasses, plates and cups.
- Toys, shoes, and clothing: If you have outgrown these items, give them away to someone who does not have them.
- Books: Donate old books to a library, senior center or charity organization.
- Paint or Batteries: Take household hazardous waste like paint or batteries to a monthly Battery, Oil, Paint and Antifreeze (BOPA) collection site. Call 602-262-7251 or visit www.phoenix.gov/GARBAGE for more information.
